# Connecting your Windows 8 Device to a Wireless Network

1. If you are using a PC, move the mouse to the bottom or top right corner of the screen and select the Settings icon. If you are using a tablet, swipe left from the right side of the screen and select Settings.	
2. Select the wireless icon.	
3. Select your wireless network from the list	

4. Select Connect.	
5. You are connected to the Wireless network.	
6. Open web browser, and enter your Alamo College Student Email, then tap Log In.
